

**DATE:** March 13, 2009

**TO:** D. Ray Davis of Polymer Concepts

**FROM:** John Garger

**SUBJECT:** Tandus Approval of Polymer Concepts Cleaning Products

D. Ray,

Please be advised that your two Cleaning Products: EncapSoil Guard and SSR Extraction Detergent are considered as Tandus Approved as a Prespray for HWE and as Low Moisture Cleaning Products. This Approval is for any/ all Tandus Products, marketed under the C&A, Monterey and/ or Crossley brands.

This achievement, as well as the Carpet & Rug Institute SOA Certifications, certainly stand as a compliment to Polymer Concepts.
